JEW DAVID'S HEBREW PLASTER. THE great remedy for rheumatism, gout, pain in the side hip, back, limbs, and joints; scrofuls, king's evil, white swellings, hard tumors, stiff joints, and all fixed pains whatever. Where this plaster is applied, pain cannot exist.

These plasters possess the advantages of being put up in air-tight boxes: hence they retain their full virtues in all climates.

This celebrated Pain Extracter has been so extensively used by physicians and the neonle in general both in this

used by physicians and the people in general, both in this country and Europe, that it is almost needless to say any thing about it. Yet there may be some who stand in need of its healing powers who have not yet tried it. For their sakes we will simply state what it has done in thousands of cases, and what it will do for them when tried.

A VOICE FROM GEORGIA.-Read the following testimonials

from a physician:
Gentlemen: Your Hebrew Plaster has cured me of pains of which I have suffered for twelve years past. During this period, I have labored under an affliction in my loins and side, and tried many remedies that my own madical experience suggested, but without obtaining relief. At length I used your Plaster, and am now, by its good e feets, entirely cured. I will recommend the Jew David or riebrew Plaster to all who are suffering from contraction of the muscles, or permanent pains in the side or back.

The people of Georgia have but to become acquainted with

its virtues when they will resort to its use.
Yours truly, M. W. WALKER, M. D., Yours truly, Forsythe, Monroe county, Ga. To Messrs. Scovil & Mead, New Orleans, La.

JEW DAVID'S OR HEBREW PLASTER IN NORTH Mesers. Scooil & Mead: I have been troubled with the chronic rheumatism for the last twelve years. On the 1st of July, 1849, I was so bad that I could not turn myself in bed, and the pain so severe that I had not slept a wink for six days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm;—the pain left me, and I slept more than half the night, and in three days
I was able to ride out. I consider the Hebrew Plaster the best remedy, for all sorts of pains now in use.

The attention of the students will also be specially directed to the history of Jurisprudence, and to Civil History as connected with the progress of the Law, and to the Federal Courts. The books will be principally such as have been heretofore used, to be furnished by the students.

The extension of the session and of the course of instruction will produce some increase in the cost of the Professor's these forces of which will be bereafter announced. The extension of the session and of the course of instruction will produce some increase in the cost of the Professor's tickets, the particulars of which will be hereafter announced. It is expected that there will be a second session of five months in each year, and in fact that arrangements will be made for a continuance of regular study and exercises during the whole year, by such students as may desire it. HARDWARE AND CUTLERY, FALL STOCK FOR 1852. THE undersigned are now in receipt of their entire stock of HARDWARE and CUTLERY for the Fall Trade, and in calling the attention of the merchants of Tennessee, Kentucky, and North Alabama, to their stock now in store, they feel confident that it will be found to compare favorably, both as to quantity and assortment, with that of any other House in the country.

with that of any other House in the country.

Experience has already demonstrated to the satisfaction of a large majority of dealers in this section of the country, that in the article of Hardware at least, the Nashville market is preferable to those of New York and Philadelphia; for the simple reason that this description of goods will not bear the heavy expenses of transportation which must necessarily accrue when brought through by canals and railroads. The undersigned are also enabled to place their customers on an equal footing with those purchasing in any other market, from the fact that their European goods being all imported direct from the manufacturers by way of New Orleans without touching New York, thus enabling them to offor their goods at a small advance on importation cost.

Merchants, Blacksmiths, Carpenters, &c., visiting Nashville are invited to call and examine their stock before purchasing.

Feathers, Wool, Beeswax and Ginseng received in exchange for Hardware and in payment of debts at the highest market prices.

The Remedy over all Remedies for the Diseases of the Liver Dyspepsis, Palargament and Inflamation of the Splan Heartburns, Colic Flatalence, Piles, Constirpation, all diseases of the Boscels, and such diseases as arise from a disorderd state of the Stomach, Liver or Bowels, as Scrofula and Sores of any kind. For General Debility, from which Ladies frequently suffer, there is not ste equal in the whole Materia Medica.

THE inventor of this preparation was for three years a completely prostrated from Dyspepsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been advertised.

DR. BLEDGOE'S ALTERATIVE COMPOUND

I subjoin the certificate of Prof. M. Garbert, of Memphis, Tenn., with whom I often advised during the time of my suffering.

N. Bledsoe and some years ago he was reduced I sel eve lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good health.

M. GABBERT, M. D.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this

HUNTSVILLE, January 12, 1852.

Dr. Blerson:—I take the liberty and fell it to be my duty Dz. Blersoz:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My sou, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely cured him.

MICAJAH CAYCE.

HUNTSVILLE, Oct. 17, 1852. Dr. Bledson.—Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being personaled to try the best physicians in the place and a great many unnereds medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say, that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

HUNTSVILLE, Sept. 29, 1851. Dr. Bledsoe—Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which nas relieved me in every attack in less than an hour.

WM. B. LLOYD. GILES COUNTY, Tenn., Dec. 23, 1851.

Dr. Bledsor:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

Hunrsville, Ala., March 3, 1852.

Dr. Bledsor:—Sir: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as I ever did.
